The Dr. Peter Centre transforms lives and communities by bringing humanity and healthcare to those sidelined by society.

Everything we do is based on the simple premise that whatever chaos happens outside our walls, inside here, humanity heals.

Position Summary

The social worker is a member of the multidisciplinary team at the Dr. Peter Centre, and provides case management to the Enhanced Supportive Housing (ESH) participants and counselling support to the residence and the ESH programs. Additionally, this role will assist with forms and processes that Day Health Participants may need help with. The position will require strong supportive counseling skills, ability to case manage clients, and expertise in the areas of trauma informed care, mental health, substance use and palliation.

Key Responsibilities

The Social Worker is responsible for the following:

- Providing case management and supportive counselling to the ESH participants and residents residing in the residence;
- Facilitating admissions, transfers and discharges within residential, enhanced supportive housing programs and transfers into the day health program. This includes orientation to services and liaison with community providers;

- Supporting family/significant others; grief and loss counselling;
- Documenting significant interventions and contacts in electronic clinical record;
- Liaising with appropriate referrals with regard to medico-legal issues such as creating wills, establishing power of attorney, court appearances and probation; and competency assessments;
- Assisting Day Health Participants with community referrals and forms as needed;
- Developing and facilitating health and wellness groups for residents; and
- Other related duties including assignment to Day Health program.

Education, Qualifications & Experience

The preferred education, qualifications and experience of the Social Worker are:

- Bachelor's Degree in Social Work with RSW designation required:
- Masters' Degree in Social Work or related field preferred:
- Three years of related experience (HIV, Substance Use, Mental Health);
- Experience working with people who are living with HIV/AIDS;
- Experience in Trauma informed care, Conflict Resolution and Restorative Practice;
- The ability to use sound clinical judgment in a variety of circumstances;
- The ability to be self- directed;
- The ability to adapt clinical practices to meet the needs of the participants; and
- The ability to provide counselling services within an interdisciplinary team.

Required Competencies

The successful candidate will demonstrate:

- Excellent written and verbal communication skills;
- Strong organizational and coordination skills;
- The ability to build positive relationships with colleagues and partners;
- Confidence managing multiple priorities and meeting deadlines;
- The ability to work independently and as part of a team; and
- Proficiency with Microsoft Office applications and digital communications tools.

Dr. Peter Centre

General Working Conditions

This is a regular full-time position with an hourly pay rate range of $43.54 - $54.39. This position requires flexibility and the ability to prioritize workload, and the ability to work in a fast-paced environment where demands and deadlines may change with short notice. Multitasking and flexibility are a must in order to meet deadlines, and to support many operational functions/activities that may occur concurrently or without notice. An understanding of the importance of maintaining the confidentiality of sensitive employee/client information is necessary.

If you have suitable qualifications and experience for this position, please send your **cover letter and resume** to humanresources@drpeter.org

Note: We thank all interested applicants. Regretfully, we are not able to respond to phone calls or emails, and we are able to respond only to those applicants who are being considered for an interview.
